

Each student is to complete each chapter at his / her own pace. However, every student should try to complete all of the assignments for a chapter within two weeks. Not every student will be doing the same assignment / chapter at the same time. Classroom time is mainly for individual instruction and checking progress in pronunciation, reading aloud, writing Latin, and various other activities. The items are listed in the order they should be completed. Each student should proceed to the next item (chapter) as soon as the last is done. The items marked with * should be prepared at home before coming to class. The student should put an ✖ or ✓ into the box when a particular assignment is done. The underline _____ is for the instructor to indicate satisfactory completion of the assignment.
